***Student Status Verification**

If you are renewing a student membership, you must provide a letter from your Department Head or the Chair of your Graduate Program.

Special Interest Groups (Optional)

Please choose one **FREE** SIG! - each additional SIG is \$10 per year (all SIG's are free for Student Members)

- Biomaterials and Medical Products Commercialization
- Engineering Cells and Their Microenvironments
- Biomaterials Education
- Cardiovascular Biomaterials
- Dental/Craniofacial Biomaterials
- Drug Delivery
- Biomaterials -Tissue Interaction
- Nanomaterials
- Ophthalmic Biomaterials
- Orthopedic Biomaterials
- Protein & Cells at Interfaces
- Surface Characterization & Modifications
- Tissue Engineering
- NEW** - Immune Engineering

Volunteering (Optional)

Please indicate if you would like to serve in a volunteer capacity on any of the committees listed below:

- Bylaws Committee
- Devices and Materials Committee
- Education & Professional Development Committee
- Finance Committee
- Liaison Committee
- Long Range Planning Committee
- Meetings Committee
- Program Committee
- Publications Committee

C. William Hall Scholarship (Optional)

The C. William Hall Scholarship honors the memory of the Society's first president C. William Hall. Scholarship will be awarded to a junior or senior undergraduate pursuing a bachelor's degree in bioengineering or a related discipline. Please indicate the amount you wish to contribute.

\$ _____

Additional Donations

The Society in its continued efforts to create a hub for the field of biomaterials to grow and prosper requests your assistance to produce stronger educational programs and publications. Please indicate the amount you wish to contribute.

\$ _____

PLEASE COMPLETE BOTH PAGES

In order to provide you with greater networking opportunities, please indicate your main focus area(s):

- Biomaterials Availability and Policy
- Biomaterials Education
- Cardiovascular Biomaterials
- Cell/Organ Therapies
- Ceramics
- Chemical Engineering
- Dental/Craniofacial Materials
- Drug Delivery
- Implant Pathology
- Metals
- Nanotechnology
- Ophthalmic Biomaterials
- Orthopaedic Biomaterials
- Protein and Cells at Interfaces
- Polymers
- Spine
- Stem Cells
- Surface Characterization and Modification
- Tissue Engineering
- Other: _____

In order to enhance the effectiveness of our networking and marketing efforts, please indicate the other professional societies of which you are a member:

- AAAS – American Association for the Advancement of Science
- AAMI - Association for the Advancement of Medical Instrumentation
- AAO – American Association of Ophthalmology
- AAPS – American Association of Pharmaceutical Scientists
- ACS – American Chemical Society
- AHA - American Heart Association
- AIChE – American Institute of Chemical Engineers
- ASAIO – American Society for Artificial Internal Organs
- ASBMR - American Society of Bone and Mineral Research
- ASEE - American Society for Engineering Education
- ASM – American Society for Metals
- ASME - American Society Of Mechanical Engineers
- ASTM - American Society for Testing and Materials
- AVS – American Vacuum Society
- BMES – Biomedical Engineering Society
- CRS – Controlled Release Society
- ESB - European Society For Biomaterials
- IADR – Intl Association for Dental Research
- IEEE - Institute of Electrical and Electronics Engineers
- ISSCR - International Society for Stem Cell Research
- MRS – Materials Research Society
- NASS – North American Spine Society
- ORS – Orthopedic Research Society
- Surfaces in Biomaterials Foundation
- SWE - Society of Women Engineers
- TERMIS, TESI, TESNA – Tissue Engineering Societies
- Other: _____

Additional Publications (Optional)

- Acta Biomaterialia**, 2014 volumes \$144.00 (please add VAT if applicable)
- Biomaterials**, 2014 volumes \$259.00 (please add VAT if applicable)
- The Journal of Biomaterials Science, Polymer Edition**, 2014 volumes \$344.00 (print) \$172.00 (online)
